

# Bishop's Waltham *Matters*

February 19  
Issue 44

## Welcome

Since September last year, your Councillors have been involved in setting their financial budgets for 2019-20, a difficult exercise in this time of controlling costs at all Government levels.

The agreed results for Bishop's Waltham Parish Council are set out in the table below.

The net increase in revenue and capital costs is 3.4% and 2.0% respectively, resulting in a net increase of 3.2%

However, the additional building that has taken place in the past year provides a larger base to spread the increase over, and this results in a net increase of 2.5%.

Chairman

## Public Footpaths

There are 54 public footpaths in the parish giving rights of way across private land. They are shown in the maps freely available on the side of the notice board by the public conveniences in the Basingwell Street car park.

The rights of way are maintained largely by local volunteer effort. If you appreciate these footpaths and bridleways, you could consider taking a pair of secateurs on your next walk to cut back any obstructing vegetation. For any serious problems, please contact the Parish Rights of Way Officer, [ruth.shields@xmoor.com](mailto:ruth.shields@xmoor.com) (894289).

## Overhanging Vegetation

If vegetation from your garden overhangs a pavement or public right of way, it is your responsibility to cut it back.

Please act before you are requested to do so as a result of neighbours' complaints.

## Dog Walkers

A polite reminder from ACSO Michael Thomas when out walking dogs.

- Unleashed dogs should be kept under close control on Public Rights of Way. Please ensure they do not trespass onto private property.

- You must keep your dog on a lead no more than 2 metres long on open access land between 1 March and 31 July to protect ground nesting birds and at all times around livestock

Anyone who fails to clear up after their dog can be issued with a Fixed Penalty Notice of up to £100. If the case goes to court this could cost the owner or person in charge of the animal up to £1,000. The law states that being unaware a dog has fouled or not having a suitable bag is not a reasonable excuse.

Thank you for your co-operation!

## Who is the Parish Council Clerk - What does she do?

My name is Lindsay Edge and I am the Clerk and Proper Officer to the Council.

As Clerk my primary role is to advise the Council on whether its decisions are lawful and to recommend ways in which those decisions can be implemented.

I arrive in the office around 8.30am most days. My first job is to check through the emails received. I also receive comments forwarded from the Council's website and these are directed to the appropriate staff member for action.

On a Monday morning we hold the weekly staff meeting, which is an opportunity to review the events of the weekend and the coming week. Any general issues can be raised at this meeting and discussed.

I attend meetings of the Council, the Finance, Policy and Resources Committee and the Planning, Environment and Highways Committee. I am responsible for preparing the agenda and papers for these meetings as well as taking the minutes.

The preparation of the agenda for any meeting is undertaken along with the Chairman of the Council or Committee. I need to ensure that the agenda items are appropriate and detailed in a legal manner that will allow Councillors to understand what is being expected of them.

Following any meeting a list of actions is drawn up and this is where the main body of my work lies. During the month I will work through the lists and report back to the Councillors as appropriate.

Outside of the meeting schedules I also deal with staffing matters such as appraisals and training, attend working group meetings with Councillors, represent the Council at Winchester City Council and Hampshire County Council events, liaise with other bodies such as the Hampshire Association of Local Councils and meet with parishioners.

I have been with the Council for 15 years and I can honestly say that no 2 days are ever the same, I never get bored, I frequently get stressed and frustrated but I am very lucky to work with a great team who are always there to provide a coffee and a biscuit!
