This guide is created using information provided by Bishop's Waltham Association of Community Organisations (BWACO). This group meets twice a year to plan a varied programme of events for the town's residents and visitors. They also review the year's events in Autumn and share ideas for the following year. If your community organisation is not already part of this group then please do contact the Parish Council, who co-ordinate this group's meetings, for more information.

All club and organisational activities are available to view on the Town Team website below
