HG72/17 Public Session - for information only

The member of the public, present at the beginning of the meeting, was invited to speak. Mrs Quiney stated that she was interested in any developments to the Jubilee Hall, with special regard to the stage area and kitchen. She queried if a cooker would be included in the refurbishment of the kitchen at Priory Park Clubhouse and would therefore have catering kitchen status. The reply given was positive and that the kitchen charge would be included in

the hire charge.

Two emails had been received recently. One regarding concern for young children using the outdoor gym equipment at Priory Park and the another relating to the gates at Hoe Road play park. Both issues were being investigated and remedial action necessary undertaken. It was raised in this session that the Spectators' Toilet at Hoe Road Pavilion had reports of damp and mould. **ACTION: Ongoing monitoring of this room**ACTION: FH Mrs Quiney also noted the work of the Community Payback Scheme that the Parish Council had organised. She felt this initiative was to be commended and recommended that the

Parish Council write to the CPS supervisor and express thanks for the good work completed.

HG73/17 Actions arising from meeting 18th July 2017- for information only

Noted.

The repairs to the skate park were still being considered by the contractor and a reply due shortly.

The alarm line was to be moved by AXIS from the payphone line at Jubilee Hall and the payphone then removed. It was hoped AXIS would be undertaking this work before the end of October

The second quotation had not been received for the Ground Heat Source Pump which was disappointing. It was considered whether a further company needed to be asked to provide a quote.

The swing for the disabled was noted as overdue and it was felt that, as the original request for this had brought no further support, this item should be abandoned.

HG74/17 Financial Position Year to Date - to note current position

Noted.

HG75/17 Hall's Manager's written report – for information only

Noted.

The new boiler room ceiling tiles were very smart but one tile would need replacing, that had the smoke detector on it, which was being actioned. Unfortunately, it seemed that there was a leak above this area as damp patches had been found. ACTION: Seek a roof condition report for the Jubilee Hall, side roof section.

ACTION: FH

Lights in the foyer of the Jubilee Hall were to be put on a timer rather than a sensor.

Replacement windows at Priory Park Clubhouse were being considered due to the rotting and unsafe nature of many of the units.

HG76/17 Senior Groundsman's written report - for information only

The pot holes had been filled in at Hoe Road lower car park.

Current issues were noted.

HG77/17 Tennis Courts Projects – for consideration

HG78/17 Music Festival Draft Agreement – for consideration

Minor amends were suggested. It was noted that initial hire costs had been suggested to the organiser, based on 2017 rates, but that a firm figure for the actual event in 2018 would be finalised when budgets set for the 2018/2019 period.

The heating in the kitchen was queried and the suggestion of a high wall heater offered. The point of adequate ventilation was raised but clarified as acceptable at present.
