9. Ear Marked Reserves Report and Year End 2024/25 Adjustments – for approval

It has not been possible to complete the budgeted upgrade of the Jubilee Hall Intruder Alarm System in this financial year.

The upgrade is still required, so I would ask that you approve a new EMR of £2,500 for the completion of the project in 2025/26.

Proposal:

To approve the creation of a new EMR of £2,500 for the intruder alarm upgrade

at The Jubilee Hall.

12. Senior Groundsman's Report – for information

One seat has been ripped off the dug outs at Priory pitches, and another burnt/melted. Both damaged beyond repair.

We are back on grass cutting.

Fencing repairs completed at Priory Meadow.

Whilst we have had the available time, I have given over a lot of time to cemetery work in order to keep on top of the maintenance before things get busy on the grass cutting.

We have put in concrete bases ready for installation the new dog bins.

Tractors and mowers have all had their annual services. We have also serviced ourselves the strimmers, hedge cutters etc.

We have started our weedkilling programme. The buildings at Priory Park and Hoe Road are done, along with Priory car park and the Tennis courts. The new footpaths, play areas where needed, and the High Street still to be done.

Some moss killing still to be completed in play areas.

Senior Groundsman 13.03.25

13. Project Manager's Report - for information

Priory Park Overflow Car Park

 Approval to upgrade the area between the two car parks using tarmacadam was given by the Full Council on 11th February.

Work on the area commenced on 24th February and was completed the following day.

Proposal: To note the above.

14. Facilities Review - Priory Park Redesign Update and Funding Request - for consideration

Current Status

- Following the Full Council meeting on 11th February, approval was given to appoint a Topographical surveyor, as requested by Axis.
- The Topograhic survey will take place on Wednesday 19th March.

Funding Request

The possibility has been raised of approaching St Peter's Parochial Church Council to apply for a grant from the funds held from the Bishop's Waltham Educational Institute. The Executive Officer has drafted a letter that will be sent to Committee members as a separate document for consideration.

Proposal: To note the above, and consider whether to investigate whether achieving grant funding from the Bishop's Waltham Educational Institute Funds might be a possibility.

Project Manager/Committees Officer 13.03.25

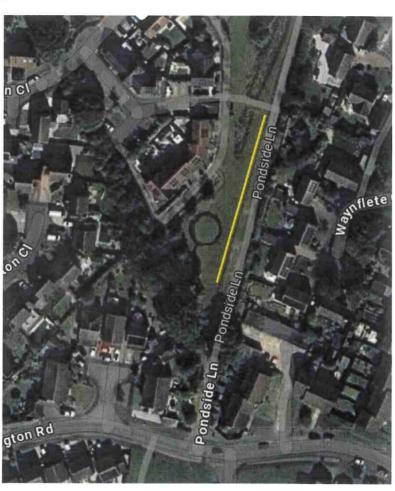

15. Hedgerow Planting at Montague Road – for consideration

Sustainable Bishop's Waltham (SBW) have obtained some hedgerow plant whips from CPRE (previously known as The Campaign to Protect Rural England) and there is an opportunity to establish a new length of hedgerow on BWPC land.

Some whips were planted along the fence line (in 2024) shown in the map to the right (as a yellow line) as part of the Shoots Along the Routes initiative. It is proposed that more whips be planted here to establish a low hedge to further improve the biodiversity on site. A sufficient gap would be left toward the end of the fence line so that walkers can continue to walk this route which is used particularly in the wetter months when the bridleway becomes muddy.

SBW will publicise the opportunity for members of the public to join in the hedgerow planting. An appropriate risk assessment will be completed for review by the Committees Officer and Committee Chairman.

Proposal:

To approve the planting of hedgerow plant whips as tabled on the Parish Council's land at Montague Road and to assist in publicising the planting morning and the call for volunteers to participate in this environmental initiative.

16. Bishop's Waltham Rotary Family Fun Day Draft Licence and Fee - for consideration

Overleaf is a draft licence for Bishop's Waltham Rotary's Family Fun Day event that the Committee approved to take place at Hoe Road Recreation Ground, on Saturday 14th June 2025. The event is currently planned to use the same facilities as for the 2024 event.

The draft licence which has been updated to include the fee (as approved by Full Council on Tuesday 11th March) is overleaf for consideration.

Proposal:

To approve the draft licence agreement for the usage of Hoe Road Recreation Ground for Bishop's Waltham Rotary's Family Fun Day on Saturday 14th June 2025, including the licence fee of £583.20 (including VAT), for recommendation to the Finance, Policy and Resources Committee.

- 1. The Licencee to hold the Bishop's Waltham Carnival and Show on the "Hoe Road Recreation Ground" including the car park, pavilion, land to the rear of the tractor shed and all other paved areas.
- 2. The licence to be for the period Saturday 14th June 2025.
- 3. The Licencee shall have the right to operate the Bishop's Waltham Family Fun Day on the "Hoe Road Recreation Ground" for the period of the event.
- 4. The Licencee shall pay the Licensor the charge of £583.20 including VAT.
- 5. The Licencee shall be required to lodge a bond with the Council in the sum of £2,000.00. The Bond or part bond shall be forfeited to the Council if the Clerk considers that damage is caused to Council property as a result of the activities of the Family Fun Day, or if the site is not left in a clean and tidy condition. Rotary will agree to lodge a Rotary cheque with the Council.
- 6. The Licencee to accept that the Parish Council groundstaff will assess the ground conditions on the day of the event and will have final say on the use of the ground. Rotary will name the prime contacts for the groundstaff to advice on the suitability of the ground conditions.
- 7. The Licencee to provide a plan of the site showing all stalls, rides etc at least one week before the event.
- 8. All vehicles belonging to stall holders and including any display vehicles will enter the ground using the Hamble Springs entrance. Vehicles in the procession will enter through the same entrance, but this will be closed for vehicles as soon as the procession is within the grounds. This entrance will be manned by Rotarians to permit pedestrians entry but no vehicles will be permitted after the procession, other than those taking part in the show. The crocodile teeth should remain plated keeping this gate available as a contingency for any emergency during the event.
- 9. Vehicles belonging to stall holders etc to be either parked in a pre-allocated plot outside the perimeter of the show (rear of tractor shed) or the rear of stands or to be removed from the grounds. **No parking will be permitted in the surrounding neighbourhood.** Stall holders to be advised of this prior to the event. Private cars and light vans, if not taken off site by 1300 hours, may be stored away from the main display area but within the Hoe Road recreation ground.

- 10. Parking will be permitted in a designated area for disabled vehicles and show participants.
- 11. The Licencee must ensure that the layout of the site allows safe operation of any rides demonstrations etc and does not present any danger to the public attending the event and that the Carnival and Show is operated in an orderly and safe manner at all times.
- 12. The Licencee must ensure that all rides erected in the site have a Certificate of Safety issued by the Showman's Guild for Great Britain before being allowed to open and offer rides to the public. These Certificates should be made available to the Clerk before the opening of the event and such Certificates should be displayed in a prominent place on each ride wherever rides are offered to the public.
- 13. The Licencee is to indemnify the Licensor against all costs, claims, demands, charges or actions howsoever arising either directly or indirectly from occupation of the site or operation of the event and in this respect the Licencee "shall at all times during the event, including setting up and taking down, be insured against Public and Products Liability for a minimum sum assured of £10,000,000 (see policy schedule). A policy schedule showing the periods of insurance, the Public and Products Liability Insurance and relevant endorsements, warranties or clauses must be submitted to the Council at least 7 days prior to the commencement of the event".
- 14. The Licencee is not to carry out any unlawful activities or unlawful gambling and is to observe all statutory and other provisions, bye laws and regulations for the time being in force and applicable to "Hoe Road Recreation Ground". The Licencee is also to comply with any statute, bye law, regulations and provisions currently in force concerning the sale or supply of food or refreshments (including alcohol). The Licencee to obtain the correct licence for the event.
- 15. The Licencee is to bring the provisions of this Licence to the notice of every stall holder permitted by the Licencee to occupy any part of the "Hoe Road Recreation Ground" during the period of this Licence.
- 16. The Licencee is to ensure that every stall holder and trader shall display a notice stating his name and address. The Licencee is not to permit separate licences to stall holders allowing them to sublet. Booking records for all traders to be held and maintained by the Licencee and must be available on the day.
- 17. The Licencee is to keep the Recreation Ground in a neat and tidy condition and to ensure that each and every stall holder or trader selling food or confectionery of any kind whatsoever shall provide sufficient litter baskets near his stall and empty those containers when necessary.

 The Licensor will arrange for a skip on site if required, charged at the appropriate rate.
- 18. No animals, birds or fishes are to be offered or awarded as prizes under any circumstances.
- 19. The Licencee is to ensure that any electricity cables are soundly insulated and safely protected wherever a cable crosses a footpath in accordance with BS7909.
- 20. The Licencee to ensure that if there is a need to connect any power/gas/compressed air services such connections will be connected by competent qualified technicians.
- 21. The Licencee to ensure that all 'heavy' equipment such as burger van, childrens' rides is sited on the main area, subject to ground conditions as outlined in (5) above.

 The area adjacent to the pavilion to be reserved for the Fire Engine and the St John ambulance.

- 22. The Licencee is to take all reasonable precautions to prevent drunkenness or disorderly conduct and is to conduct the event in an orderly manner so as not to cause any annoyance or nuisance in the neighbourhood.
- 23. The Licencee shall at all times comply with any directions given by the District Council Head of Environmental Services regarding the level of noise generated by sound amplifying equipment, diesel generators or any other operations of the event, and if so required by the District Council's Head of Environmental Services the Licencee shall immediately terminate any activity generating noise in contravention of the terms of the licence.
- 24. The Licencee to ensure that householders in the vicinity of the "Hoe Road Recreation Ground" are advised of the plans to use the area for the event and that Hamble Springs will be used as a temporary access point. All residents in Hamble Springs to receive a leaflet in advance of the event from the Licencee to explain the activities of the day.
- 25. The Licencee is to ensure that the access to the ground for the paying public will be from Hoe Road for pedestrian access only. No access is permitted for vehicles or for parking (other than in Clause 7).
- 26. The Licencee is to ensure that the carnival procession/motorcade enters the ground via the Hamble Springs entrance. The Licensor to ensure that the gate is plated to allow entrance by the procession onto the site. As per clause (7).
- 27. The Licencee must conform to the Health and Safety at Work Act 1974 which places a legal responsibility on everyone working at the event to ensure that, whatever they do, they do not endanger themselves, employees or the general public.
- 28. The Licencee to ensure that the site is cleared by 20.00hrs on 14th June 2025.
- 29. The Licencee to provide draft risk assessments for the event by 26th April 2025 for acceptance by the Council. A final version of the assessment to be submitted one week before the event once the Licencee has finalised all the participants/displays.
- 30. The Licencee must accept that the Council maintains at all times that the Licence does not constitute a tenancy.
- 31. The Licence is to rest on exchange of correspondence.

17. Dynamos Football Tournament Draft Licence and Fee

- for consideration

Overleaf is a draft licence for Bishop's Waltham Dynamos Football Club's Tournament event that the Committee approved to take place at Priory Park on Saturday 24th and Sunday 25th May 2025.

The draft licence which has been updated to include the fee (as approved by Full Council on Tuesday 11th March) is overleaf for consideration. The draft licence has been updated as follows:

- · updated event dates and fee
- updated to grant access to the site from 7am instead of 8am
- added in the use of the Clubhouse Hall and toilets (that were not included in the licence document last year)
- removed mention of vehicle access from The Avenue (assuming that the event team are not planning on parking on the pitches this year, due to the increased overflow car park – confirmation of this has been requested)
- added that no vehicles are to be brought onto the pitches or grassed areas without specific permission being granted by the Council (included in clause 7)
- please note that the removal of rubbish from site remains as Dynamos' responsibility as with last year's document (see clause 13)

Proposal:

To approve the draft licence agreement for the usage of Priory Park Football Pitches and Clubhouse by Dynamos Football Club for their Football Tournament event being held on Saturday 24th May and Sunday 25th May 2025, including the licence fee of £587.03 (including VAT), for recommendation to the Finance, Policy and Resources Committee.

18. Pondside Lane Bridleway – for consideration

As has previously been discussed by the Committee, the bridleway (known as Pondside Lane) on the Parish Council's land at Montague Road, becomes very muddy during the winter months. As has been previously observed, three patches, are particularly problematic due to them having been filled with a clay-based material following work at the Montague Road play area.

The Projects Manager requested a preliminary quotation from a contractor some time ago to investigate what the cost of improving the surface of these three areas would be.

A local resident has also raised with the Council that a dip that had previously been deliberately dug into the path by local residents to route surface run-off water into the nearby swale has now disappeared through wear.

The Committee are requested to authorise the Projects Manager to continue to investigate the potential cost of remedial works to this bridleway, to include profiling work to the top of the pathway to redirect surface water to the swales.

Currently this project does not have any specifically assigned funding within the Committee's budget.

Proposal:

The Committee are requested to authorise the Project Manager to continue to investigate the potential cost of remedial works to the Pondside Lane bridleway, and to request quotations from contractors to include profiling work to the top of the pathway to redirect surface water to the swales.

19. Montague Road Wildflower Area Meeting - for consideration

A meeting has been requested by local residents living near the Parish Council's land at Montague Road to discuss the wildflower meadow area on site (designated as Informal Green Space in the WCC's Open Space Strategy), that they feel is visually unappealing.

This meeting has been organised to take place on Monday 17th March. A verbal update will be given to the Committee if deemed necessary and notes from the meeting and notes of any next steps will be included in the papers for the next Committee meeting in April.

Proposal: To note the above.

20. Memorial Bench List – for consideration

Please see overleaf the wording proposed to be added to clause 4.3 of the Parish Council's Memorial Tree and Bench Policy. Appendix 1 has also been added to give an example of an appropriate bench for the purposes of installation on Parish Council land. For ease of review, the proposed text is shown in red.

Proposal:

To approve the tabled additions to the Parish Council's Memorial Tree and Bench Policy for recommendation to the Finance, Policy and Resources Committee.

Memorial Tree and Bench Policy

Bishops Waltham Parish Council

Date adopted:

SCOPE OF THE POLICY

- 1.1 When loved ones die, their friends and relatives will often want to commemorate them with a lasting memorial. Often this will be in the form of a tree or bench which not only honours their memory but provides a beautiful and functional improvement to the local environment.
- 1.2 This policy sets out how we approve memorial benches and trees; who is responsible for their upkeep; and what is expected from the donor and the Council. The Council will always endeavour to be respectful, sympathetic, and fair towards those donating trees and benches; to balance the needs of facility users; and to maintain the high quality of its open spaces.

WHAT AND WHO IS COVERED BY THE POLICY

2.1 The policy covers any memorial bench, tree, or other lasting item placed on Bishops Waltham

Parish Council-owned land or property and is relevant to anyone who has commissioned or is thinking of commissioning a memorial tree or bench.

2.2 For the purpose of this document anyone who requests a memorial bench or tree is referred to as 'the donor'.

LEGAL FRAMEWORK

- 3.1 The planting of trees or installation of benches on land as memorials, is a private arrangement between the friends and relatives commissioning the memorial, and the landowner. As such, the Council can only approve memorials on Parish Council-owned land.
- 3.2 Generally-speaking, installing trees and benches will not be subject to planning permission, restrictive covenants, or other restrictions. However, there may be cases where the Council is unable to install benches for such reasons.
- 3.3 Under the Crime and Disorder Act 1998, the Council must consider the effect of its decisions on crime and disorder. It may deem a location unsuitable, if it may attract antisocial behaviour.
- 3.4 When the Council agrees to install a bench or tree, the cost of the bench or tree is borne by the Donor. The tree or bench is the property of the Council, and the Donor does not retain any right to

determine its future management. The Council will nevertheless endeavour to ensure it is properly maintained and cared for.

POLICY STATEMENT

Determining requests

- 4.1 Enquiries for a memorial bench or tree should be made by the Donor to the Council. The request shall then be brought for consideration before the appropriate Committee. These requests will be considered on a case by case basis. Requests may not be able to be fulfilled if the location is unsuitable due to the risk of vandalism, antisocial behaviour, over-population of trees or benches, or any other material factors.
- 4.2 The Council will endeavour to accommodate any reasonable requests for the planting of memorial trees or installation of memorial benches on Council-owned property only.
- 4.3 Only trees and benches suitable, in-keeping to the immediate surrounds, and benches of a robust design will be used.
- 4.4 The Council will approve the style and make of bench in advance. To ensure the health and safety of the public the Council will only approve of high quality, durable benches associated with the provision of public seating. See appendix 1 for an example of such a bench.
- 4.5 The Council will supply a list of preferable trees and may also suggest an appropriate location. The size and type of tree will be agreed on in advance of planting.
- 4.4 The exact location of the tree or bench will be agreed with Council staff. It is the Donor's responsibility to ensure that the location is well-communicated to the Council and confirmed in writing, by letter or email, with an accompanying sketch if needed.
- 4.5 Memorial benches and trees will only be considered from people that can demonstrate a close tie with the person being commemorated and a local link to the parish. The Council reserves the right to refuse a memorial bench or tree should it have any grounds to believe it would be contrary to the wishes of the commemorated person's next of kin or the memorialisation cause offence to the wider community. The Council reserves the right to refuse a memorial bench or tree for other reasons. The reasons will be supplied to the applicant if requested.

Costs

4.6 The cost of the tree or bench and any installation costs will be borne by the Donor.

Commissioning

- 4.7 Tree planting will usually only be permitted between late autumn and early spring, in line with the tree-planting season.
- 4.8 Trees can be planted by donors after approval has been given by the council. A member of the Council staff will mark the site with a stake to ensure that it is planted in the pre-agreed place.

- 4.9 Donors can request that the tree is planted by a Parish Council contractor or staff, however we reserve the right to invoice the donor on a time cost basis for the time taken to complete this by any member of the Council staff. Donors are welcome to be present at the tree planting and carry out a small ceremony if they wish.
- 4.10 No scattering of ashes of humans or pets at any site either at the time or a later date will be permitted.

Plaques

4.11 Commemorative plaques can be affixed to a memorial bench, or placed next to a memorial tree, subject to agreeing a size, wording, and specification with the Council. No plaque may be affixed to a tree itself.

Maintenance

- 4.12 Donors should also be aware that benches or young trees in public areas may be subject to vandalism, and the Council will not be held responsible for any costs in replacing them.
- 4.13 The Council shall endeavour to maintain and care for a memorial tree and bench for as long as possible. However, it reserves the right to re-site or remove any tree or bench that it deems to be unsafe, unrepairable, or other reasons. A replacement tree or bench maybe considered at the cost of the donor should they wish to at that time.
- 4.14 Whilst the council understand that this can be a sensitive time for Donors, we also need to consider the impact of the wider community and the environment. Therefore, no placing of flowers or other objects at memorials will be permitted, except with the permission of the Council.
- 4.15 The donor shall not be permitted to undertake any maintenance of the memorial tree or bench without the permission of the Council.
- 4.16 The council would welcome the Donors participation in watering a memorial tree in the initial stages to ensure it has the best chance of survival.

Memorial duration

4.17 The Council cannot guarantee a length of time a bench or tree can remain in situ. Whilst the Council will do its best to preserve a memorial tree and/or bench for as long as possible there will come a time when these reach the end of their lifespan. Once a tree or bench is deemed unfit and in order to protect the health and safety of the public it will be removed. If the Donor is still local, (or can be contacted) they will be offered the opportunity to replace an existing memorial bench or tree with a new replacement at that time. This replacement cost would be borne by the Donor.
